

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

REGION I

Date of Notice: September 27, 2006

Public Notice Number: PN2006-0011

Comment Period: September 28, 2006 – October 27, 2006

Action: Notice of Proposed Assessment of Class II Clean Water Act Section 309(g)(2)(B) Administrative Penalties and Opportunity to Comment

Under Section 309(g) of the Clean Water Act, 33 U.S.C. § 1319(g), EPA is authorized to assess a civil penalty after providing the person subject to the penalty notice of the proposed penalty and the opportunity for a hearing, and after providing interested persons public notice of the proposed penalty and a reasonable opportunity to comment on its issuance. In Class II proceedings under Section 309(g)(2)(B), any person who violates certain provisions of the Clean Water Act may be administratively assessed a civil penalty of up to \$10,000 per violation per day for each day during which the violation continues, up to a maximum of \$125,000. Pursuant to 40 C.F.R. Part 19 (Adjustments of Civil Penalties for Inflation) promulgated pursuant to the Debt Collection Improvement Act of 1996, 31 U.S.C. § 3701, the maximum civil penalties that may be administratively assessed have been increased as follows: For violations occurring between January 31, 1997 and March 14, 2004, up to \$11,000 per violation per day for each day during which the violation continues, up to a maximum of \$137,500; and, for violations occurring on or after March 15, 2004, up to \$11,000 per violation per day for each day during which the violation continues, up to a maximum of \$157,500.

Proceedings are conducted in accordance with the "Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation or Suspension of Permits," at 40 C.F.R. Part 22 ("Part 22").

The procedures by which the public may submit written comments on a proposed penalty order or participate in a penalty proceeding are set forth in Part 22. The deadline for submitting public comment on a proposed penalty order is thirty (30) days after issuance of public notice.

Pursuant to Section 309(g), EPA is providing public notice of the following proposed administrative penalty assessment:
